**V. PROCEDURE:**

**A. Reporting and Returning Overpayments to the Payer**

1. Except as described in Section A.2 below, refunding of Overpayments shall be done through claims adjustments, credit balance, self-reported refunds, or other reporting processes set forth by the applicable payer to report an overpayment. To the extent an Overpayment is calculated through the use of a statistical sampling methodology, the methodology must be described in the report. For all payers, the Tenet Facility's report shall include the information required by Attachment A, the Overpayment Refund Form. The Chief Compliance Officer or designee shall notify the payer, in writing, of any:
  - a. Substantial Overpayment;
  - b. Matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized;
  - c. The employment of or contracting with an ineligible person;
  - d. Any other overpayment determined to be material by Regulatory Counsel and Compliance Officer as reportable.
2. To the extent a Tenet Entity is subject to a Corporate Integrity Agreement, Chief Compliance Officer or designee will evaluate all non-routine overpayments for potential reporting to Federal Health Care Program payors under the requirement to report all substantial overpayments.
3. Alternatively, a Tenet Facility may satisfy its refund obligations by making a disclosure under the OIG's Self-Disclosure Protocol or the CMS Voluntary Self-Referral Disclosure Protocol and entering into a settlement in the respective protocol. A determination to proceed with protocol submission must be made at the direction of Tenet Regulatory Counsel.

**B. Internal Reporting and Tracking of Overpayments**

1. All Non-Routine Overpayments shall be tracked and reported through the Overpayment Approval Process as described in Attachment B.
